

WASC Certificated Survey 2006, Question 102: List 3 areas that you feel most strongly about which need to be addressed by the PHS site/staff:

- Discipline needs to be consistent and rigid, with proper admin support (although it is better this year)
- Budget allocation to departments
- Creating options (perhaps trades) for students that are not going to college or are JC bound
- Standards for academics are not high enough
- Policies change daily
- Don't bother teachers w/detention list
- Departments needs to be reconnected
- Safety on campus
- Staff morale events
- Consistent enforcement of policies/roles
- Mailing home report cards
- Parent involvement needs to improve
- Consistent assignment of discipline consequences
- needs more life skill classes
- Report cards to be mailed home
- Parents need to be required to conference with teacher if failing a class
- Alternatives for nontraditional students
- Attendance issues
- More hands-on, trade, tech
- At risk students
- Clubs/activities
- ESLERS
- School spirit
- Security issues (way too easy to get off campus, no security when needed)
- Discrimination tolerance (too many racial slurs by students)
- Discipline issues
- Vocational classes
- Electives
- Non-college tract curriculum
- Student apathy toward grades
- Rebel teachers not following the program
- Classroom management
- Sexual harrassment
- Student/staff confidentiality
- Need for first language support in content areas
- Proper student placement
- Discipline – has improved
- Paths for non-college bound students
- Shop classes
- Our non-college-bound students need voc ed classes to prepare them for work
- Gangs
- Gang intervention

WASC Certificated Survey 2006, Question 102: List 3 areas that you feel most strongly about which need to be addressed by the PHS site/staff:

- Working with special ed students to ensure compliance w/legally mandated IEP accommodations
- Students apparently have been taught NO consistent district-wide method for organizing their work and thoughts
- Most students and MANY teachers block print rather than write in cursive – RETARDED
- Student litter is a significant problem
