

WASC Certificated Survey, Question 103: Free response in regards to comments/suggestions covering any additional aspect of the PHS site/programs/activities.

- We really have a wonderful group of people at this site at all levels. We certainly have the potential to be an even greater school if we can work on tardies and department budgets. I enjoy teaching here.
- Too much time taken up by WASC
- Kids pulled out of class too often
- Academic expectations vary
- Kids expect good grades for who they are and not for high achievement
- Would like to see more health education functions no to drugs and alcohol; SADVC; teen clinic.
- Security need to have uniforms
- Security needs to walk a specific beat
- Some required parent involvement in discipline
- More art classes
- Reach out to Punjabi speaking community
- Nurse is rarely available
- Safety- Difficult to call for security – at times no on in office responses
- No support for students who wish to enter trade school or vocational programs
- We need to see the results of this data
- Behavior is horrible on campus!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
- Clearly sports are a priority to the principal
- With all due respect to the difficulty of conduction a survey. I found that as a teacher, I had to answer “unsure” to the many general questions pertaining to all my peers as a whole, that I would have little way of knowing; ie. 19, 20, 22, 23
