SACRAMENTO REGION YOUTH

CREATING A MOVEMENT FOR GIVING

BE A PART OF THE CHANGE

Even though we all come from different backgrounds and we all have different beliefs, we all strive for the same common goal. We all want to help each other out and we all realize that it is up to us... today's youth.

GABY 2.0 - JOIN OUR MOVEMENT

Grants Advisory Board for Youth
 supports young people in
 developing knowledge and
 participating in philanthropic
 efforts -- the importance of
 giving and sharing and taking
 action on issues that are
 important to them.

The Sacramento Region
 Community Foundation launches
 an "e-learning course" that
 reaches hundreds of young

people in the area. It aims to stimulate youth-led community action by
 providing a web-based platform to explore interests and teach skills to
 organize projects. Teams of youth can compete for \$500 grants to support
 activities for their schools, communities, and neighborhoods. This year's
 theme, *LIVING WELL*, hopes to attract exciting projects on how teens can
 support positive change in themselves, schools, neighborhoods, and
 communities.
