

Sacramento ACT Meadowview Partnership

Youth Action 2007-2008

Using community organizing, we are creating leadership opportunities and making long-term, meaningful change for Meadowview youth.

Youth Leadership and Social Action

>> Youth staff will organize 10- to 15-year-old youth into committees to network, identify issues, conduct research with public officials and take action.

Graduation and Beyond

>> We will strengthen relationships between families and schools to increase the number of Meadowview youth who will transition successfully from elementary school to middle school to high school, resulting in more youth graduating from high school prepared for college.

Youth Leadership Conference

>> Youth and adults will plan and conduct the first Meadowview Youth Leadership Conference.

Youth Enrichment

>> We will increase the number and quality of youth activities by supporting youth-led ideas and projects. We will identify youth who want to create projects and connect them to resources to support their ideas.

Youth Workforce Readiness

>> We will find ways to help youth in Meadowview prepare themselves for work by connecting them with opportunities to develop and practice leadership and job skills.
