

Step Up for Kids Day

North Steps of the State Capitol

10th and L Streets, Sacramento

Tuesday, September 16th, 2008

4pm—7pm

Too many California children:

- ◆ Live in poverty
- ◆ Lack health insurance
- ◆ Are alone after school
- ◆ Are abused and neglected
- ◆ Lack early learning opportunities
- ◆ Have a parent in prison

Let's make sure that in California, every child matters.

Join us for Step Up for Kids Day, a family-friendly event sponsored by Every Child Matters and hosted by Parent Voices to draw public attention to issues affecting children in California and across the country.
