New Administration
New councilors
New teachers

The Administrators need to lighten up, it was really harsh the way I was kicked out of the dance. It's just dancing, adults have never liked the way teens dance (i.e., Footloose & Dirty Dancing). We just want to have fun. Besides, my boyfriend and I were kicked out of a supervised place /nowhere to go but home w/ my parents out of town.

Counselors
Administration
Music funding

Hiring better teachers, controlling students, and being a little more informative of rules, etc.

fire [Teacher name]

- Less homework
- The library
- Better teachers
- Teachers, supplies, stuff
- Better things to use in class, ex. coloring things, better award ceremonies
- The music/drama dept., more teachers
- More workshops, communication between student and administrators, more computers in classes
- Capable teachers
- Administration needs to lighten up & let us learn
- Fights need to stop
- Enforce the important rules, give more appreciation to music program, spend more money on academics/clubs, etc. instead of sports.
- Communication
- School dances!!!
- Administration
- More interesting sports like archery, different languages...Japanese! Better teachers for some classes that know what they're doing.
- More AG extracurriculars, consistency with administration, consistency with the enforcement of rules
- Administration, better technology, more courses

WASC Student Survey #102: Please list three things that you feel PHS needs to improve in helping you achieve your academic and emotional goals at PHS

- Not ask many rules in the class room, replace some teachers, nothing else
- Better teachers, programs, skills
- Rules, internet privliges has problems
- Principle and VP's, more sports programs, band programs
- Have a better mix of teachers, have a little more freedom, principal and VP's
- More support
- More classrooms, more teachers, more books in library
- Better teachers, less homework, more help
- Teachers need to do more individual help in class. Other than that it's perfect.
- I don't know.
- Listening to what students have to say, make classwork more interesting
- Teachers
- Explaining more, giving us less homework, talking to us.
- Longer lunch, longer passing period, longer time to relax
- Start school later, have teachers give rewards, more hands on
- They should watch some of the teachers teach because some of them cant' and students are not learning from them.
- Parking lot is dangerous, pushing and shoving in the lunch line is extremely bad, very little number of tables to sit at for lunch
- Better in-depth teaching, more interesting projects
- I think PHS should improve on helping students more when they don't get something.
- They need a better basketball team, better teaching and more field trips.
- Longer lunches, off campus lunch, more tutors
- More janitors, more computer labs, 2 lunches
- Some teachers, finals right before break
- Less fights, less sispention, more better grades
- Not having time to talk to me during school, not always helping me when I need it
- Interesting assignments or ways of learning
- Better disapline for those who disobey
- More teachers that are better qualified, less big projects/essays, less school hours
- Less homework
- Support, help, discuss
- Offer us more chances to learn about colleges, encourage us more to do school work, offer better help programs
- Clean bathrooms, have more after school programs, encourage us to have more work.
- Keep bathrooms cleaner, provide better food
- Cut art class because it's stupid cuz you can't learn art, you just have to have the talent.
- The way students are treated, the grading system.
- More vacation days, more school activities, allowed electronic devices, food and drink, off campus for everyone during lunch.

WASC Student Survey #102: Please list three things that you feel PHS needs to improve in helping you achieve your academic and emotional goals at PHS

- Make work more interesting, be a little more prepared, more choices for food at lunch
