

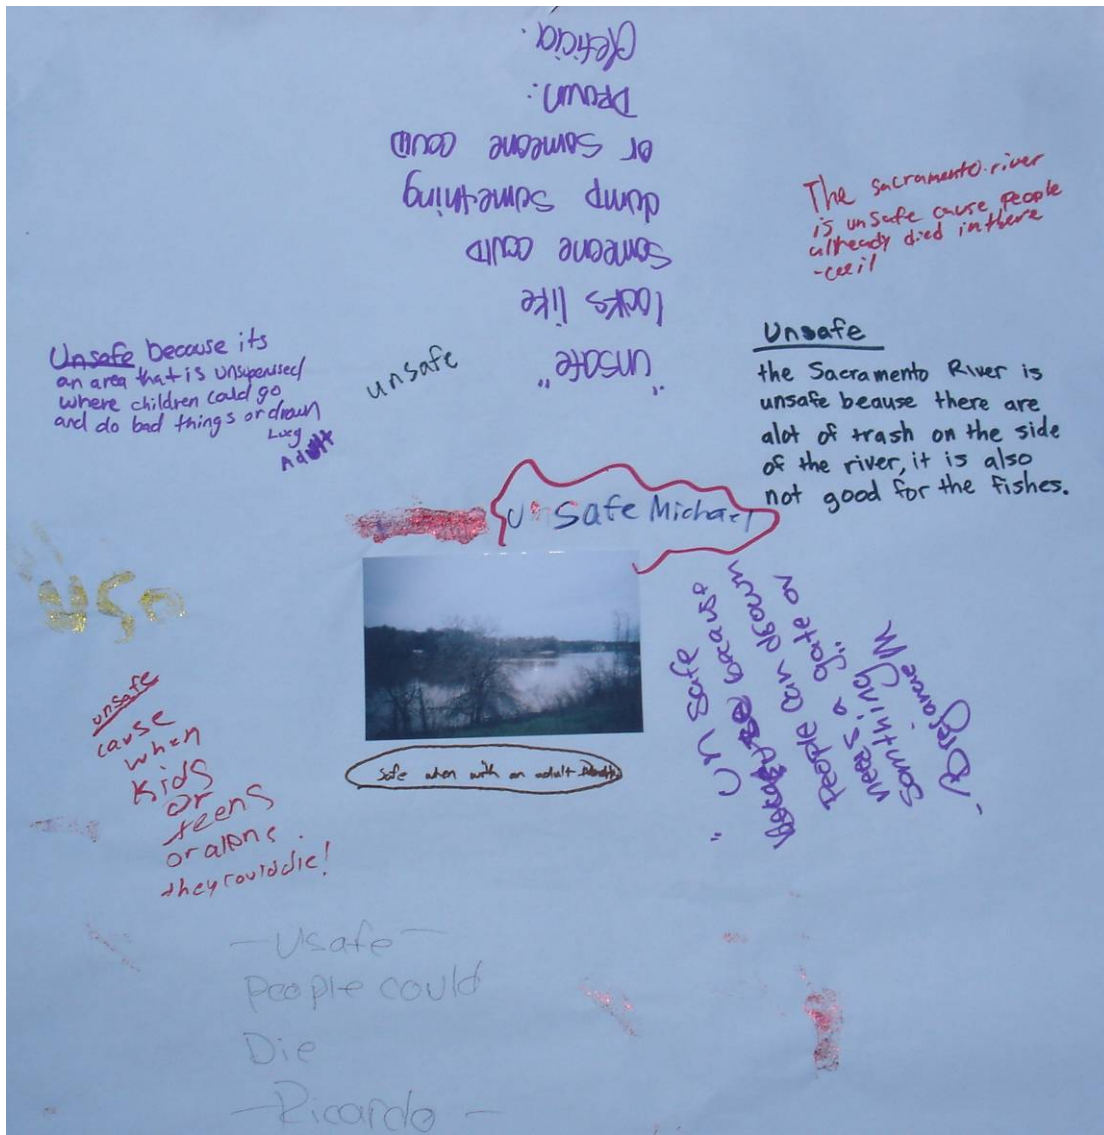

Chart 2 - Youth Photo Voice Project

Poster Example

Riverbank

- Unsafe looks like someone could dump something or someone could drown
- The Sacramento is unsafe because people already died in there
- Unsafe
- Unsafe the Sacramento River is unsafe because there are a lot of trash on the side of the river and it is also not good for the fishes
- Unsafe because it's an area that is unsupervised where children could go and do bad things or drown (adult)
- Unsafe
- Unsafe because people can drown – needs a gate or something
- Safe with an adult
- Unsafe people could die
- Unsafe cause when kids or teens are alone they could die
